

A new hybrid data structure for more efficient iterative Krylov subspace methods for solving partial differential equations

The longest known title used in 2010

First Author
Second Author

Thesis submitted for the degree of
Master of Science in Engineering:
Computer Science, option Artificial
Intelligence

Supervisor
Prof. dr. ir. Paul Romotor

Assessors
Ir. W. Eetveel
W. Eetrest

Assistant-supervisors
Ir. A. Assistant
D. Vriend
